

HUNT GROUP
INTERNATIONAL ARMS & SECURITY

2019

Our Company

Established in 1992, Hunt Group Arms is one of the most well known firearms manufacturer and exporter in Turkey. Our export activities started in 2008, aiming to establish one of the biggest shotgun sales network in the World. We have been manufacturing and exporting variety of firearms combining modern technology and innovation.

On one hand, we are manufacturing and exporting semi automatic (inertia), magazine fed semi automatic, pump action, magazine fed pump action, over&under, side by side, single barrel shotguns in different qualities and standarts. On the other hand, we are able to supply variety of tactical shotguns to areas like European countries, USA, Middle East, Asia and South America.

Our motto is: “providing our clients high quality and standard products.” This principle is Hunt Group International Arms & Security Company’s main philosophy and distinctiveness.

One can use this gun with two magazines.
One magazine option is saiga magazine, other option
is Hunt Group magazine with adapter.
Please refer to enclosed photos.

When we export these guns, we export with these two
types of magazines, So the end user has two options
of usage of magazine.

Comes with two piston options, on efor normal cartiges,
Other for heavy cartiges, manguum one.
So one can use it with any gram of cartiges

These guns work with spring in stock,

So if stock is removed the gun is
not gonna work.
